

1. K-LOVE serves me and my family as a resident of the local community.
2. I pay monthly in support of K-Love so that they may continue to get the word out to listeners who tune to their station by CHOICE.
3. I listen to K-Love in my car, at home, on my home computer. It is the only radio channel that I tune into. Why can't people leave well enough alone, if K-love can be listener supported, shouldn't that be enough.
